RULES

Shuffle the full card deck and place face-down within reach of all players.
Starter determined by dice roll.
Game play proceeds clockwise.

Starter selects card from top of deck.

If card is a Child or Draco:

Follow the card instructions to attempt to collect it. If you are successful at collecting the card, place face up in front of you. If you are unsuccessful at collecting the card, place it face up in discard pile.

NOTE: Collected Child and Draco Cards must remain visible to all players

If card is a Galaxy Light:

Automatically collect card. This ends your turn.

Offense Cards that take an action against another player can only be used before targeted player has rolled on their turn. You may also play an Offense Card on your turn; playing the card ends your turn.

Defense Cards may be used after any player has rolled. Unless stated otherwise on the card, players may use Defense Cards to aid other players if they so choose.

After Galaxy Light cards are used they must be placed face up in discard pile.

If the card is an Event Card (EC):

Follow instructions on the card to determine outcome. ECs effect all players. After outcome is determined ECs are placed face up in the discard pile.

NOTE: If no players will be affected by EC outcome, place card face up in discard pile without rolling. This ends your turn.

If the card is a Boon Card (B★):

Automatically collect card. This ends your turn. You may use the skills on B★ cards at any time. B★ cards affect all players.

GAME OBJECTIVE

The goal of the game is to be first to collect a winning hand of cards. Winning hands are determined by the attributes on collected cards.
